

Brandy - Almost Doesn't Count?

```
Intro: Gm7 Cm7 Gm7 Cm7
                                                              But every time you built me up , you only let
                               Cm7
                                                                                                                     me down
                                                                                    Cm7
[Primeira Parte]
                                                              But everybody knows, almost doesn't count
                                                              [Ponte]
  Almost made you love me,
                                 almost made you cry
                                                              Gm7
                                                                    D7
                                                                         Gm7 C
                                         Bb
                                  didn't I, didn't I?
  Almost made you happy, babe ,
                                                                                 (everybody knows)
                                                              Hey
                                                                        hey
Gm7 Cm7
You almost had me thinkin' v
                                                                  C Gm7 D7
                                                              Gm7
                                                                                  Gm7
                             you were turned around
                                                              Hey,
                                                                         hey
                                                                                  hey
                      Cm7
                                      Bb
                                                              Gm7
 But everybody knows, almost doesn't count
                                                                can't keep on waiting,
                                                                                         can't keep on trying
                                                                            Cm7 Cm7
                                                                                                     Bb
[Segunda Parte]
                                                              Everybody knows ,
                                                                                        almost doesn't count
                                                              [Refrão]
                   Gm7
Almost heard you saying
                             you were finally free
                                                              Gm7
 What was always missing for you, babe, you found it in
                                                              I can't keep on loving you one foot outside the door
                                                                      Ebmaj9
                                                              I hear a funny hesitation of a heart that's never really
                             half off the ground
But, you can't get to heaven
                                                              sure
                       Cm7
                                      Bb
       Everybody knows, almost doesn't count
                                                                Can't keep on trying if you're looking for more, than all
[Refrão]
                                                              I can give you than what you came here for
Gm7
I can't keep on loving you one foot outside the door
                                                              [Quarta Parte]
 F Ebmaj9
I hear a funny hesitation of a heart that's never really
                                                                                 Gm7
                                                                                            maybe you'll be
                                                              Maybe you'll be sorry,
sure
 Can't keep on trying if you're looking for more, than all
                                                                Maybe you'll come running back, baby,
                                                                                                         from the cruel,
                                                              cruel world
                                                                                                        Gm7
                                                                                   Gm7
e you're gonna stick
Cm7
                                                              Almost convinced me
I can give you than what you came here for
                                                                                                              around
[Terceira Parte]
                                                              But everybody knows, almost doesn't count
                                             Gm7
                                                              [Final]
                  Gm7
Gonna find me somebody
                            not afraid to let go
                                                                                         Cm7
                                       Cm7
  Want a no doubt, be there kind of man
                                                              So maybe I'll be
                                                                                   here,
                                                                                          maybe I'll see you around
                                            you came real
                                                                                    Cm7
close
                                                              Cm7
              Gm7
                              Cm7
                                                   Gm7
                                                              That's the way it goes, almost doesn't count
