Tom: Bb  
Intro: Gm Cm Gm Cm Cm Bb

[Primeira Parte]

Almost made you love me, almost made you cry  
Almost made you happy, babe, didn't I, didn't I?  
You almost had me thinkin' you were turned around  
But everybody knows, almost doesn't count

[Segunda Parte]

Almost heard you saying you were finally free  
What was always missing for you, babe, you found it in me  
But, you can't get to heaven half off the ground  
Everybody knows, almost doesn't count

[Refrão]

I can't keep on loving you one foot outside the door  
I hear a funny hesitation of a heart that's never really sure  
Can't keep on trying if you're looking for more, than all that  
I can give you than what you came here for

[Terceira Parte]

Gonna find me somebody not afraid to let go  
Want a no doubt, be there kind of man you came real close  
Gm Cm Gm Cm Gm Cm

But every time you built me up, you only let me down

[Ponte]

Hey, hey (everybody knows)  
Hey, hey hey  
can't keep on waiting, can't keep on trying  
Everybody knows, almost doesn't count

[Refrão]

I can't keep on loving you one foot outside the door  
I hear a funny hesitation of a heart that's never really sure  
Can't keep on trying if you're looking for more, than all that  
I can give you than what you came here for

[Quarta Parte]

Maybe you'll be sorry, maybe you'll be cold  
Maybe you'll come running back, baby, from the cruel, cruel world  
Almost convinced me you're gonna stick around  
But everybody knows, almost doesn't count

[Final]

So maybe I'll be here, maybe I'll see you around  
That's the way it goes, almost doesn't count
