Bread - Guitar Man

Tom: G
Intro: 2x: G C D

```
G                          C
Who draws the crowd and plays so loud,
                   D
Baby it's the guitar man.
G                        C
Who's gonna steal the show, you know
                 D
Baby it's the guitar man,

        Em                    C
He can make you laugh, he can make you cry
        Em                        A
He will bring you down, then he'll get you high
C                            Bm
Somethin' keeps him goin', miles and miles a day
        Am               D
To find another place to play.

G                        C
Night after night who treats you right,
                 D
Baby it's the guitar man
G                    C
Who's on the radio, you go listen
        D
To the guitar man

        Em                        C
Then he comes to town, and you see his face,
        Em                        A
And you think you might like to take his place
C                            Bm
Somethin' keeps him driftin' miles and miles away
Am                       D
```

```
Searchin' for the songs to play.

            Am              Am              Am          D   D
Then you listen to the music and you like to sing along,
        G           D          Em                    E
You want to get the meaning out of each and ev'ry song
            Am              Am              Am
D
Then you find yourself a message and some words to call
yourown
                        E
And take them home.

Solo 2x:  E   C

        Em                        C
He can make you love, he can get you high
        Em                        A
He will bring you down, then he'll make you cry
C                            Bm
Somethin' keeps him movin', but no one seems to know
Am D
What it is that makes him go.

            Am              Am              Am
D   D
Then the lights begin to flicker and the sound is getting dim
        G           D          Em                        E
The voice begins to falter and  the crowds are getting thin
            Am         Am              Am
But he never seems to know this he's just got to find
D                       E
Another place to play,

        C         E         C
Anyway got to play, anyway Got to play.
```
