                                                                Stealing the life of mine
                                                                [Pré-Refrão]
            Essa música possuí uma afinação diferente da
afinação natural do violão. Caso queira tocar sem precisar
                                                                       Em
                                                                I believe in you
mudar a afinação do seu violão, troque o tom da música de [G]
para [F#].
A afinação original é -1/2 (Meio tom abaixo) da afinação
                                                                I can show you that I can see right through
EADGBE, portanto a afinação ficará Eb Ab Db Gb Bb Eb ou Eb Ab
                                                                                       Em
                                                                All your empty lies, I won't last long
[Introdução]
                                                                In this world so wrong
                                                                [Refrão]
Here I stand, helpless and left for dead
                                                                        Em
                                                                Say goodbye,
                                                                                              Em
                                                                As we dance with the devil tonight
[Verso]
                                                                Don't you dare look at him in the eye
Close your eyes, so many days go by
                                                                As we dance with the devil tonight
Easy to find what's wrong
                                                                [Ponte]
Harder to find what's right
                                                                Fm
                                                                Hold on
[Pré-Refrão]
