**A**  
I don't know what's wrong with me,  
**E**  
Nothing I do can make them see  
**A**  
That although I'm weirdly self-aware,  
**E**  
That I'm the person who really cares  
**A**  
But you and me, we talked for hours  
**E**  
Walked around and got you flowers  
**A**  
Free spirit and an artist too,  
**E**  
I've been for a girl like you

( **A** **E** )  
( **A** **E** )

**A**  
Not sure if we could call it a date

**E**  
But I love your stories and how we relate  
**A**  
Just when I thought it was going swell  
**E**  
Said you're "not looking for romance," but hell  
**A**  
If you were you say it would be with me  
**E**  
Just not the time for you start anything  
**A**  
I guess I'll take the consolation prize  
**E**  
But what the fuck was that look in your eyes?

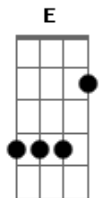

**A**  
I'm a mess  
**E**  
I don't know how to impress, anyone  
**A**  
And I don't want us to just be friends  
**E**

( **A** **E** )

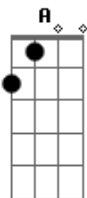

**Gbm**  
I really believed you were into me,  
**Abm** ( **Abm** **Gm** **Gbm** )  
I guess I'm a fool, you're so tricky  
**Gbm**  
I really believed you were into me  
**Abm** ( **Abm** **Gm** **Gbm** )  
I guess you fooled everyone

**A**  
I'm a mess  
**E**  
I don't know how to impress, anyone  
**A**  
And I don't want us to just be friends  
**E** ( **C** **Ab** )
