

# Brenn - 4Runner

tom:  
Capostrate na 1ª casa

[Primeira Parte]

**C**  
I see you're still stuck on your same old  
**F**  
Hanging out in places you shouldn't be  
**C**  
You know I'm still stuck on getting older  
**F**  
Living in the past is my specialty  
**C**  
And your 4Runner, is it runnin' up north these days?  
**C**  
I bet it gets lonely, no one's there to keep you sane  
**C**  
And the cold weather must be slowing you down  
**C**  
Oh, I still wonder why you ever wanna leave this town

[Segunda Parte]

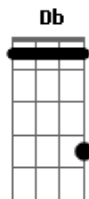

**C**  
I see you're still doing the same old  
**F**  
Hanging out with people like me  
**C**  
You know I'm trying to get a little bolder  
**F**  
So, this town is where I'd rather you be  
**C**  
And your 4Runner, is it runnin' up north these days?  
**C**  
I'll say it gets lonely when you're not here past my hallways  
**C**  
Did you drop your crown on your way out now?  
**C**  
'Cause oh, I swear, something 'bout you has changed

[Refrão]

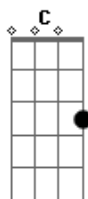

**Am** **Em7**  
Oh, this town is empty now  
**F**  
And your crown has lost its power  
**Am**  
'Cause you've changed  
**Em7** **F**  
But you've only changed from me

**C**  
Oh-oh, oh-oh, oh-oh, oh-oh, oh-oh-oh  
**F**  
Oh-oh, oh-oh, oh-oh, oh-oh, ooh-oh

[Terceira Parte]

**C**  
Hmm, kept those wise words from the letters you wrote me  
**F**  
And your creased pages of your journal entries  
**C**  
Talking 'bout how you wish your life would change  
**C**  
And your 4Runner, is it runnin' up north these days?  
**C**  
I bet it gets crazy moving 'round and never stay  
**C**  
Did I let you down on your way back now?  
**C**  
'Cause oh, I swear, something 'bout me has changed  
[Refrão]

**Am** **Em7**  
Oh, this town is empty now  
**F**  
And your crown has lost its power

But you've only changed from me  
**Am** **Em7**  
Oh, this boy is broken now  
**F**  
Wonder why you let him down  
**Am**  
But you've changed  
**Em7** **F**  
And I'm the only one who sees

**Am** **Em7** **F**  
Yeahhhhhhhhhh, Oohhhhhhhh  
**Am** **Em7** **F**  
Yeahhhhhhhhhh, Oohhhhhhhh  
**Am** **Em7** **F**
