          [Primeira Parte]

C
I see you're still stuck on your same old
F
Hanging out in places you shouldn't be
C
You know I'm still stuck on getting older
F
Living in the past is my specialty
        C                        F
And your 4Runner, is it runnin' up north these days?
         C                       F
I bet it gets lonely, no one's there to keep you sane
        C                 F
And the cold weather must be slowing you down
      C                        F
Oh, I still wonder why you ever wanna leave this town

[Segunda Parte]

C
I see you're still doing the same old
F
Hanging out with people like me
C
You know I'm trying to get a little bolder
   F
So, this town is where I'd rather you be
        C                        F
And your 4Runner, is it runnin' up north th?se days?
         C                                F
I'll say it gets lonely wh?n you're not here past my hallways
C             F
Did you drop your crown on your way out now?
      C                     F
'Cause oh, I swear, something 'bout you has changed

[Refrão]

      Am        Em
Oh, this town is empty now
       F
And your crown has lost its power
         Am
'Cause you've changed
      Em           F
But you've only changed from me

C
Oh-oh, oh-oh, oh-oh, oh-oh, oh-oh-ooh
F
Oh-oh, oh-oh, oh-oh, oh-oh, ooh-ooh
```
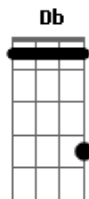

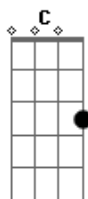

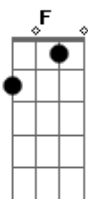

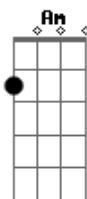

```
C
Oh-oh, oh-oh, oh-oh, oh-oh, oh-oh-ooh

Oh-oh, oh-oh, oh-oh, oh-oh, ooh-ooh

[Terceira Parte]

               C
Hmm, kept those wise words from the letters you wrote me
       F
And your creased pages of your journal entries
C              F
Talking 'bout how you wish your life would change
        C                        F
And your 4Runner, is it runnin' up north these days?
          C                        F
I bet it gets crazy moving 'round and never stay
C              F
Did I let you down on your way back now?
         C                  F
'Cause oh, I swear, something 'bout me has changed
[Refrão]

      Am        Em
Oh, this town is empty now
       F
And your crown has lost its power
         Am
'Cause you've changed
      Em           F
But you've only changed from me
      Am        Em
Oh, this boy is broken now
Wonder why you let him down
         Am
But you've changed
        Em            F
And I'm the only one who sees

      Am    Em   F
Yeahhhhhhhhhhh, Oohhhhhhhhhh
      Am    Em   F
Yeahhhhhhhhhhh, Oohhhhhhhhhh
      Am    Em   F
Yeahhhhhhhhhhh, Oohhhhhhhhhh
