

# Brenn - Franklin House

tom:  
 Bb (forma dos acordes no tom de G )  
 Capotraste na 3ª casa  
 Intro: Am C

I've got stories to tell, but no means to tell 'em  
 I've got words to get out, but they'll send me to hell  
 I bet you're drunk at the franklin  
 Blowin' off all that grief that I gave you  
 It's cold when you're here and it's cold when you're not  
 It hit me like a bullet, but I took it 'cause I'm strong  
 And I'm the closest to the man, the man I never was  
 And I'm drivin' home from the worst night alive  
 Thanksgiving was like hell, but I give thanks that I'm alive  
 I don't care that I don't mean it  
 I don't care that I can't hide it like I used to  
 What's the use to?  
 I will survive but I'll never recover  
 The ache comes and goes like the stars with the weather  
 I'm stuck with the pains in the place  
 Of all the love I still have for you  
 I'm not mad at you (one, two, three)  
 I thought I could change you for better  
 All I did was break you forever  
 You needed saving, and I couldn't save you this time

All I did was break you forever  
 I had reasons to run and reasons to fight  
 Don't ask me why I stayed 'cause I couldn't tell you why  
 I was hopeless, I was young, I was  
 Angry, but I thought I was fine  
 Now this place is empty, and if the walls could talk  
 They would tell you how it is and tell you how it's not  
 'Cause I would never take the blame on  
 All the things that I know were my fault  
 I will survive, but I'll never recover  
 Love in the balance will never be covered  
 You don't owe me none, there's no debt to me, darling  
 I promise you, I'm not mad at you  
 Woah, I'm not mad at you  
 I thought I could change you for better  
 All I did was break you forever  
 You needed saving, but I could not save you this time  
 All I did was break you forever  
 I will survive, but I'll never recover  
 (I will survive, but I'll never recover)  
 I'll get by, but I'll never get over  
 (I'll get by, but I'll never get over)  
 I will survive, but I'll never recover  
 [Final] Am C F
