G

Couldn't Understand why's that You're such an enigma

Well it was you

Last we have spoke girl

I've felt so swept away

Well it was you

Not a trace

Not a game

Not a face

Not a sound

Not a trace

Not a trace

Not a game

Not a face

Not a sound

Not a trace

It's gonna be alright darling

Things? gonna be all fine

And I'm not sure if I have a place to call my own

It's gonna be alright darling

Things? gonna be all fine

And I'm not sure if I have a place to call my own

Couldn't Understand why's that You're such an enigma

Well it was you

Last we have spoke girl

I've felt so swept away

Well it was you

Not a trace
