

# Breno Ruiz - Viola de Bem Querido (part. Renato Braz)

tom:

Em

Em

Na viola eu carrego o mar  
do meu bem querer

Na viola eu engano a dor

pra ninguém sofrer  
Na alegria ou na solidão

eu pego na vio\_\_\_\_\_ola

Só sei tocar

nem sei porquê

Na viola é que eu trago a paz

e deixo à mercê

Na viola é que eu rezo a Deus

por quem já não crê  
Na querença ou na ilusão

eu pego na vio\_\_\_\_\_ola

E canto o amor

que nem se vê

Pro amor jama\_\_\_\_\_ais morrer

Quando o amor me vem, na viola eu sei guardar

E7

Quando o amor se vai

na viola eu sei chamar

Não fico só, tem sempre alguém n'algum luga\_\_\_\_\_ar

Com a viola o amor eu vou buscar

Sem ninguém não sei mais como é ficar

porque a viola sempre um novo amor me dá

Porém se um dia\_\_\_\_\_a

o amor findar

sei que a viola vai me acompanhar

Não vai faltar

Na viola é que eu trago a paz

e deixo à mercê

Na viola é que eu rezo a Deus

por quem já não crê  
Na querença ou na ilusão

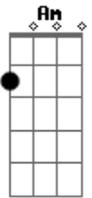

eu pego na vio\_\_\_\_\_ola

E canto o amor

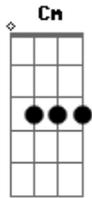

que nem se vê

Pro amor jama\_\_\_\_\_ais morrer
