       Gb
              Ab
                                Fm Gb
Was all about the wrong ones
             Ab Fm Gb
It's over again
      Ab
Was all about the loved ones
              Ab Fm Gb
The faces of pain
         Ab Fm Gb
We've grown over
        Ab Fm Gb
We've grown over
To rise above the pressure
           Ab Fm Gb
Happened again
            Ab
                         Fm Gb
And through it all direction
Ab Fm Gb
Came as a friend
