

Bridgit Mendler - Atlantis

Tom: Eb

(com acordes na forma de C)

Capostrate na 3ª casa

[Verse 1]

Am F
Deep underwater is where I left my love
Am F
Clean at the surface, shallow to the touch
Am Dm
Nothing left, he's a wreck buried deep in the sand
Am Dm
Now I don't feel a thing when I'm holding his hand
Am F
And I'm asking myself, "Will I sh-sh-sh-sh-shiver again?"

[Chorus]

G
Oh, I know how to feel, I know that love exists
D
It's asleep with the fishes down in Atlantis
Bm
Oh, my Lord, where's my soul? How did we end up like this?
D
Fast asleep with the fishes down in Atlantis

[Verse 2]

Am F
Dig a little deeper, baby, hold your breath
Am F
Take a seat at the counter, just give it a chance
Am Dm
Every bro in the building with his back to the wall
Am Dm
Not for me, be discreet, I should try not to yawn
Am F
I shut em' down, shut em' down like a sniper on call

[Chorus]

G
Oh, I know how to feel, I know that love exists
D
But it's asleep with the fishes down in Atlantis
Bm
Oh, my Lord, where's my soul? How did we end up like this?
D
Fast asleep with the fishes down in Atlantis

(Kaiydo)

Hey, hey
I know sometimes we lose sight of hope
I know that you don't falter often, when you do, you grow
I know that life can have you lost like your compass broke
A ship adrift at sea, oh, me, just tryna be your rope... oh
And I don't think they really know the rest of it
Everyday is Friday, so your calendar, irrelevant
Photobombing planets, never planned to
Take a better pic, knocking on Atlantis doors
I'm surprised they let us in, let us in
I can see you working on your patience
Working on your nerves, need a better occupation
You just say the word, and then we right back to the basics
When you out here ballin', guess you bound to catch a flagrant
I'm just tryna wild out with the fam
We came from the bottom, I don't think you understand
House up in the sky, I guess that always was the plan
You was flying with me, I think I forgot to land

[Chorus]

G
Oh, I know how to feel, I know that love exists
D
But it's asleep with the fishes down in Atlantis
Bm
Oh, my Lord, where's my soul? How did we end up like this?
D
Fast asleep with the fishes down in Atlantis
