

Bridgit Mendler - Hold On For Dear Love

Tom: G
Intro: G C Em D

I've been staring at the ceiling'
Watching the fan swirl around, around, around
Cause I can't hear my breathing'
The words we said are still so loud, loud, loud'
And we been drifting off so far
That I don't even know where we are
Before we jump, Before we leap
And all is lost for you and me...
If we're not stupid we'll both hold on for dear love
Fight our way through this cause it's not worth just giving up
Cause I got some fight left in me, and I don't see us ending this way
If we're not stupid we'll both hold on for dear love, love
(Repeat)
I've weighted down by the silence
All these words that don't come out
I've been tempted just to write it
And say I'm sorry without a sound, sound, sound
That I don't even know where we are

But we can try
And we can speak
Before we're lost indefinitely'
If we're not stupid we'll both hold on for dear love
Fight our way through this cause it's not worth just giving up
Cause I got some fight left in me, and I don't see us ending this way
If we're not stupid we'll both hold on for dear love, love
I've been terribly human' using you like a punching bag
and you been terribly angry, taking out all your words, words on me
And I see what we were, and I know that we hurt,
but I know its worth it to fight for all our love tonight
If we're not stupid we'll both hold on for dear love
Fight our way through this, it's not worth just giving up
Cause I got some fight left in me, and I dont see us ending this way
If we're not stupid we'll both hold on for dear love, love
Love'
Love'
Love'
Love''.
