E Dbm
When somebody loved me
A B
everything was beautiful
Abm Dbm
every hour we spent together
A B
lives within my heart

And when she was sad

I was there to dry her tears
Abm Dbm A
and when she was happy so was I
B B E
when she loved me

A B
Through the summer and the fall
Abm Dbm
we had each other that was all
Abm Dbm
just she and I together
A B
like it was meant to be
E Dbm
and when she was lonely
A B
I was there to comfort her
Abm Dbm B B E
and I knew that she loved me

So the years went by

Abm Dbm
I stayed the same
Abm Dbm
but she began to drift away
B Dbm
I was left alone
Am Em
still I waited for the day

when she'd say
Am Em C B
I will always love you

E Dbm
Lonely and forgotten
A B
never thought she'd look my way
Abm Dbm
and she smiled at me and held me
A B
just like she used to do

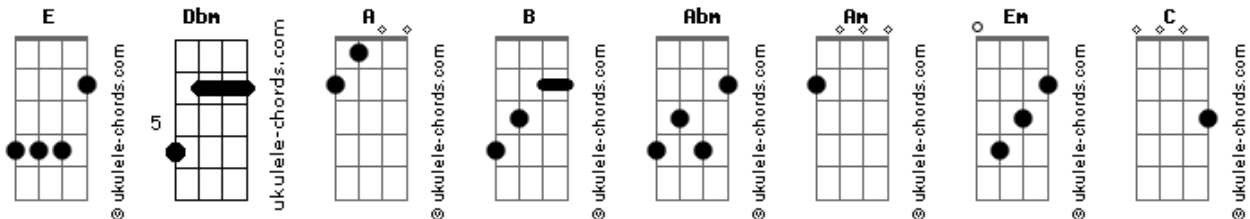

like she loved me
when she loved me

E Dbm
When somebody loved me
A B
everything was beautiful
Abm Dbm
every hour we spent together
A B
lives within my heart

When she loved me...
