

## **Bright Eyes - Falling Out Of Love At This Volume**

```
Tom: G
                                                                 "And if I die tonight, then I guess I die tonight.
                                                                             (Intro Riff)
                                                                  Let me go on..."

                                                               Some Noisy Stuff Sort of like This:
Intro:
Verse (palm-muted):
                                                              {\tt Verse~2~-~same}
"Tell me what you wanted to hear / let me do the right thing Chorus 2 - same
                 D
 let me do the wrong thing.
                                                               Outro:
          Α
                   В
                                                                                  Α
                                                                                           Gb G A
                                                                D
 If it's ever this clear / I'll only say it once.
                     D A G
 Just let me turn my amps way up,
                                                               Chords (low to high):
              D A G
                                                               D - x57xxx
 So you can't hear a thing.
                                                               B - x24xxx
                                                              A - x02xxx
                                                              G - 35xxxx
Gb - 24xxxx
Chorus:
                                             G
```
