

# Brilhante Victoria - Make It Shine

Tom: F

F C  
Here I am  
Dm  
Once again  
Bb F  
Feeling lost but now and then  
C  
I breathe it in  
Dm  
To let it go

Bb F  
And you don't know where you are now  
C  
Or what it will come to  
Dm Bb  
If only somebody could hear  
F  
When you figure out how  
C  
You bust in the moment  
Dm Bb  
You disappear

F  
You don't have to be afraid  
C  
To put your dream in action  
Dm  
Your never gonna fade  
Bb  
You'll be the main attraction  
F  
Not a fantasy  
C  
Just remember me  
Dm Bb  
When it turns out right

F C Dm Bb  
(Shine)

Dm C  
Every one can tell you how  
F Bb  
it's all said and done  
Dm  
(Oh woah oh)  
Dm C  
that harder times will change your mind  
F Bb  
And make you want to run  
C  
But you want it  
Dm  
And you need it  
Bb F  
Like you need to breath the air  
C  
If they doubt you  
Dm  
Just believe it  
Bb C  
That's enough to get you there

F  
You don't have to be afraid  
C  
To put your dream in action  
Dm  
Your never gonna fade  
Bb  
You'll be the main attraction  
F  
Not a fantasy  
C  
Just remember me  
Dm Bb  
When it turns out right

F  
Cause you know that if you're living  
C  
Your imagination  
Dm  
Tomorrow you'll  
Bb  
Be everybody's fascination

F  
In my victory  
C  
Just remember me

Dm Bb  
When I make it shine

F C Dm Bb  
(Shine)

F C  
Reaching high  
Dm  
Im feeling low  
Bb F  
I'm holding on but letting go  
C  
I'd like to shine  
Dm  
I'll shine for you

Bb F  
And it's time to show the world how  
C  
It's a little bit closer  
Dm Bb  
As long as I'm ready to go  
F  
All we have is right now

C Dm Bb  
As long as you feel it inside you know

F  
You don't have to be afraid  
C  
To put your dream in action  
Dm  
Your never gonna fade  
Bb  
You'll be the main attraction  
F  
Not a fantasy  
C  
Just remember me  
Dm Bb  
When it turns out right

F  
Cause you know that if you're living  
C  
Your imagination  
Dm  
Tomorrow you'll

Be everybody's fascination

In my victory

Just remember me  
When I make it shine
