

Brilhante Victoria - Song 2 You

tom:

I don't wear designer clothes

I don't go to the finest schools

But, I know I ain't no fool baby

I may not be a star

I'm not driving the sickest car

But, I know I can make you happy baby

I don't know what you been used to

Never been with a girl like you

But, I can give you a love that's true to

Your heart, not material things

I'll give you my song

These words to you

Sing you what I feel

My soul is true

I don't have the world

Can't give it to you girl

But all that I can do (all that I can do)

Is give this song to you

(G D A)

(G D A)

(G D A)

I'll give my song an the rest to you baby, baby

Sing you what I feel, my soul is true

I'll give you my song

These words to you

Sing you what I feel

My soul is true

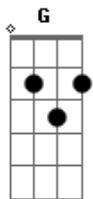

I don't have the world

Can't give it to you girl

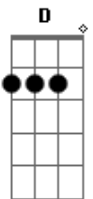

But all that I can do (all that I can do)

Is give this song to you
