

Bring Me The Horizon - Happy Song

Tom: Eb

[Intro]

Cm Am Eb Bb

[Verse 1]

Cm Am
I've had enough

There's a voice in my head

Says I'm better off dead

[Hook]

But if I sing along

A little fucking louder

To a happy song

I'll be alright

[Verse 2]

Cm Am
You want to give up

Gave it all that you've got

And it still doesn't cut

[Hook]

But if I sing along

A little fucking louder

To a happy song

You'll be just fine cos'

[Chorus]

Every now and again we get that feeling

And the great big void inside us opens up

And I really wish that you could help

But my head is like a carousel

And I'm going round in circles

I'm going round in circles

[Hook]

But if I sing along

A little fucking louder

To a happy song

Maybe we'll forget cos'

[Chorus]

Every now and again we get that feeling

And the great big void inside us opens up

And I really wish that you could help

But my head is like a carousel

And I'm going round in circles

I'm going round in circles

Don't wake us up, we'd rather just keep dreaming

Cos' the nightmares in our heads are bad enough

And I really wish that you could help

But my head is like a carousel

And I'm going round in circles

I'm going round in circles
