

Bring Me The Horizon - Hospital For Souls

Tom: **C**

(com acordes na forma de **G**)
 Capotraste na 5ª casa
 And then I found out how hard it is to really change
 Even hell can get comfy once you've settled in
 I just wanted the numb inside me to leave
 No matter how fucked you get, it's always there when you come
 back down
 The funny thing is, all I ever wanted, I already had
 There's glimpses of heaven in every day
 In the friends that I have, the music I make
 The love that I feel... I just had to start again

(**Em** **C** **Am** **Em**)

Em
 The days are a death wish
C
 A witch hunt for an exit
Am **Em** (**D**)
 I am powerless

Em
 The fragile, the broken
C
 Sit in circles and stay unspoken
Am **Em** (**D**)
 We are powerless

Em
 Because we all walk alone on an empty staircase
C
 Silent halls and nameless faces
Am **Em** **D**
 I am powerless

Am
 Everybody wants to go to Heaven
C
 But nobody wants to die
Am
 I can't fear death no longer
C (**Am**)
 I've died a thousand times

Am
 Why explore the universe
C
 When we don't know ourselves?
Am
 There's an emptiness inside our heads
 (**Am**)
 That no-one dares to dwell

Em **C**
 Throw me to the flames!
Am **Em**
 Watch me burn!
Em **C**
 Set my world ablaze!
Am **Em**
 Watch me burn!

C
 How are we on a scale of one to ten?
Am
 Could you tell me, what you see?
C
 Do you want to talk about it?
D
 How does that make you feel?

C
 Have you ever took a blade to your wrists?
Am
 Have you been skipping meals?
C
 We're going to try something new today
C **Am** **Em**
 How does that make you feel?

Em **D**
 Hold me close, don't let go, watch me (burn)
C **Am**
 Hold me close, don't let go, watch me (burn)
Em **D**
 Hold me close, don't let go, watch me (burn)
C **Am**
 In this hospital for souls

(**Em**)
