

Bring Me The Horizon - Mother Tongue

Tom: D

I didn't see it coming
 But I never really had much faith
 In the universe's magic, oh no
 Till it pulled us to that time and place
 And I'll never forget
 When the floodgates opened, we, we cried an ocean
 It still has me choking, it's hard to explain
 I know you know me, you don't have to show me
 I, I feel you're lonely, no need to explain

So don't say you love me, fala amo
 Just let your heart speak up and I'll know
 No amount of words can ever find a way, to make sense of this
 So I wanna hear your mother tongue
 So don't say you love me, fala amo
 Just let your heart speak up and I'll know
 No amount of words can ever find a way, to make sense of this
 So I wanna hear your mother tongue

(D E Gbm D E)

And yeah, I could be punching
 But I always tend to fluctuate
 I feel sick that I'm buzzing, oh love, I'm in trouble
 I'm sorry, but you got me gushing all over the place
 And I don't wanna get wet
 But I think we're chosen, like our fates were woven

And all of those bad choices were left turns on the way

So don't say you love me, fala amo
 Just let your heart speak up and I'll know
 No amount of words can ever find a way, to make sense of this
 So I wanna hear your mother tongue
 So don't say you love me, fala amo
 Just let your heart speak up and I'll know
 No amount of words can ever find a way, to make sense of this
 So I wanna hear your mother tongue

I think the best way to explain it's like (Oh, oh, oh, oh)
 Kinda like that, but more (Oh, oh, oh, oh, oh)
 Yeah, that makes sense, right, like (Oh, oh, oh, oh)
 Like (Oh, oh, oh, oh)
 Like (Oh, oh, oh, oh, oh)

So don't say you love me, fala amo
 Just let your heart speak up and I'll know
 No amount of words can ever find a way, to make sense of this
 So I wanna hear your mother tongue
 So don't say you love me, fala amo
 Just let your heart speak up and I'll know
 No amount of words can ever find a way, to make sense of this
 So I wanna hear your mother tongue
 So don't say you love me, fala amo
 Just let your heart speak up and I'll know
 No amount of words can ever find a way, to make sense of this
 So I wanna hear your mother tongue
