

Briston Maroney - Ive Been Waiting

tom:
E

If I hurt you with the words, that I said

I know we had plans and, now we're gonna go and change

All of them

And if it means so much now

You don't have to be so cold

And if you want it so bad

Just let me know

(Gb Gbm A)

[Refrão]

Oh I've been waiting, I've been waiting

For you all my life

Oh I've been waiting, I've been waiting

For you all my life

Gb A

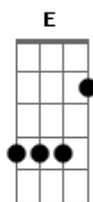

[Ponte]

Oh, it builds me up

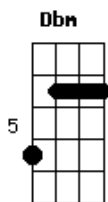

And it tears me down

To never know

What I'm feeling now

Oh, it builds me up

And it tears me down

Oh, to never know

What I'm feeling now

Oh, it builds me up

And it tears me down

Oh, to never know

What I'm feeling now

Oh, it builds me up

And it tears me down

Oh, to never know

What I'm feeling now

[Refrão]

For you all my life

Oh I've been waiting, I've been waiting

For you all my life

For you all my life

Oh I've been waiting, I've been waiting
