

# Britney Spears - Born to make you happy

Tom: **D**

(com acordes na forma de **C**)  
 Capotraste na 2ª casa  
 ##Capo: 2nd fret

The sign "....." is instrumental part, you don't sing that part  
 Three of chords are played in a short time.  
 If you can't play it really well, just cancel the **E7** (Higher part) or the **Gb7** (last part).  
 This part should strum it slowly.

The bracket "( )" of the chords chart means, you can play without pressing the note.
