

# Britney Spears - Boys (The Co-Ed Remix) Feat. Pharrell Williams

Tom: **C**

For whatever reason  
I feel like I've been wanting you all my life  
But you don't understand  
I'm so glad we're at the same place at the same time  
It's over now.  
I spotted you dancin`  
You made all the girls stare  
Those lips and your brown eyes  
And the sexy hair.  
So I shake my thing  
I make the world want you  
Tell your boys you'll be back  
I wanna see what you can do.  
What would it take for you to just leave with me  
(Uh uh)  
Not trying to sound conceited but me and you were  
meant to be (yeah yeah)  
You're a sexy guy, (Uh) I'm a nice girl. (don't you  
know?)  
Lets turn this dance floor into our own little  
nasty world. (yeah)  
Boys  
Sometimes a girl just needs one (you know I need  
you)  
Boys  
To love her and to hold (I just want you to touch  
me)  
Boys  
When a girl is with one (mm mmm)  
Boys  
Then she`s in control (yeah)  
Pick a boy off the dance floor.  
Screamin in his ear. Must of said somethin` bout me  
(what you said?)  
Cuz he`s loookin over here  
You lookin at me?  
With that sexy attitude?  
But the way you boys moving it (uh)  
It puts me in the mood (yea)  
Ow  
What would it take for you to just leave with me
