

Britney Spears - Brave New Girl

Tom: **C**

She's gonna pack her bags, she's gonna find a way
 She's gonna get right out of this
 She don't want New York, she don't want LA
 She's gonna find that special kiss
 She don't want no sleep, she don't want no high
 Ooh, like peaches and cream
 She's gonna wish on stars and touch the sky
 You know what I mean?

She wants to _____, only to _____
 She needs to really really find what she wants
 She lands on both feet, won't take a back seat
 There's a brave new girl, and she's coming out tonight

She's gonna step outside, uncover her eyes
 Who knew she could feel so alive?
 Her M.O.'s changed, she don't wanna behave
 Ain't it good to be a brave girl tonight?

Tonight, it's all right
 A brave girl tonight

So she met this man, he was kinda rough
 He said girl, whatcha lookin' for?
 She said I don't know, I go with the flow
 He said let's get on the floor

He said you look real cute with your lowride jeans
 And your pink little baby tee
 Let's get a room, girl
 Come and ride with me

She wants to _____, only to _____
 She needs to really really find what she wants
 She lands on both feet, won't take a back seat
 There's a brave new girl, and she's coming out tonight

She's gonna step outside, uncover her eyes
 Who knew she could feel so alive?
 Her M.O.'s changed, she don't wanna behave
 Ain't it good to be a brave girl tonight?

Tonight, it's all right
 A brave girl tonight
 Tonight, it's all right
 A brave girl tonight

_____ keep on _____

She's gonna step outside, uncover her eyes
 Who knew she could feel so alive?
 Her M.O.'s changed, she don't wanna behave
 Ain't it good to be a brave girl tonight?

Tonight, it's all right
 A brave girl tonight
 A brave girl tonight
 A brave girl tonight
