

# Britney Spears - Can t Make You Love Me

Tom: Eb

I'm just a girl with a crush on you

Don't care about money

It doesn't give me half the thrill

To the thought of you, honey

So tell me that you want me still

If only I could trade the fancy cars

For a chance today, it's incomparable

I might be sitting with the movie stars

Everybody say that I have it all

But I can't make you love me

Is it my life or the things I do?

Can't make you love me

I'm just a girl with a crush on you

I have been through changes

But I'm still the girl you used to know

It's made me no different

So tell me why you had to go

Oh baby, I will trade the fancy cars

For a chance today, it's incomparable

I might be sitting with the movie stars

Everybody say that I just have it all

But I can't make you love me

Is it my life or the things I do?

Can't make you love me

I'm just a girl with a crush on you

Just the thought of being close to you

It's incomparable

Should be happy with the life I live

And the things I do

Seems like I have it all

Can't make you, make you love me baby

It's my life, what can I do?

Can't make you love me, alright

I'm just a girl with a crush on you

But I can't make you love me

Is it my life or the things I do?

Can't make you love me

I'm just a girl with a crush on you

I'm just a girl with a crush on you
