Britney Spears - Deep In My Heart

Tom: G

Ooh, ooh, ooh Oh, oh, I want you for the rest of my life, oh yeah Walking through time looking for an answer How can it be this way What have I done, I just can't help but wonder How everything could change 'Cause you've turned my world around

Pre Chorus: Since you came along, no After this love was found It seems like we can't go wrong

Chorus: Deep in my heart I know there's only you And right from the start I always knew

Acordes

I'll never let go 'cause I love ya so Oh-oh, I want you for the rest of my life

Some people search what seems to be a lifetime To find a love like this, oh yeah And here we are with everything we've wished for I've never felt such bliss

Repeat Pre Chorus

Repeat Chorus

Oh, yeah There comes a chance in everyone's life And I believe it won't happen twice Now since I felt the glory of love I wish to spend forever and ever with you

Repeat Chorus
