Refrão

(**Dm**) I don't wanna dream about **Bb**
 All the things that never were **F**

 I'll get it all figured out **C**
 When I'm out from under **Bb** (From under, from under, from under)

Verso 2 (Igual a 1)

So let me go
 Just let me fly away
 Let me feel the space between us growing deeper
 And much darker every day
 Watch me now and I'll be someone new

My heart will be unbroken
 It will open up for everyone but you

Pre-Refrão

Even when I cross the line
 It's like a lie I've told a thousand times

Refrão

I don't wanna dream about
 All the things that never were
 Maybe I can live without
 When I'm out from under
 I don't wanna feel the pain
 What good would it do me now
 I'll get it all figured out
 When I'm out from under (from under, from under, from under, from under)

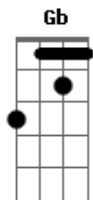

Ponte

Bb
 And part of me still believes **C**
 When you say you're gonna stick around **Bb**
 And part of me still believes **C**
 We can find a way to work it out **Bb**
 But I know that we tried everything we could try **C** **Bb**
 So let's just say goodbye Forever **Dm**

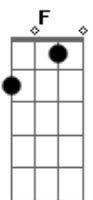

Refrão

I don't wanna dream about
 All the things that never were
 Maybe I can live without
 When I'm out from under
 I don't wanna feel the pain
 What good would it do me now
 I'll get it all figured out
 When I'm out from under
 I don't wanna dream about
 All the things that never were
 Maybe I can live without
 When I'm out from under
 I don't wanna feel the pain
 What good would it do me now
 I'll get it all figured out
 When I'm out from under
 When I'm out from under
