

Britt Nicole - All This Time

Tom: Db

(com acordes na forma de Capotraste na 1ª casa C)

I remember the moment I remember the pain
I was only a girl but I grew up that day
Tears were falling
I know You saw me
Hiding there in my bedroom, so alone
I was doing my best, trying to be strong
No one to turn to that's when I met You

All this time
From the first tear cry to today's sunrise
And every single moment between
You were there You were always there
It was You and I
You've been walking with me all this time
You've been walking with me all this time

Ever since that day it's been clear to me
That no matter what comes You will never leave
I know You're for me and You're restoring
Every heartache and failure every broken dream
You're the God who sees the God who rescued me

This is my story this is my story

All this time
From the first tear cry to today's sunrise
And every single moment between
You were there You were always there
It was You and I
You've been walking with me all this time
You've been walking with me all this time
I hear these people asking me how do I know what I believe?
Well I'm not the same me and I saw the proof I need
I felt Love I felt Your grace you stole my heart that day

All this time
From the first tear cry to today's sunrise
And every single moment between
You were there You were always there
It was You and I
You've been walking with me all this time
(Ever since the first tear cry it was you, you and I)
You've been walking with me all this time
(Ever since the first tear cry it was you, you and I)
You've been walking with me all this time
