I remember the moment I remember the pain

I was only a girl but I grew up that day

Tears were falling

I know You saw me

Hiding there in my bedroom, so alone

I was doing my best, trying to be strong

No one to turn to that's when I met You

All this time

From the first tear cry to today's sunrise

And every single moment between

You were there You were always there

It was You and I

You've been walking with me all this time

You've been walking with me all this time

Ever since that day it's been clear to me

That no matter what comes You will never leave

I know You're for me and You're restoring

Every heartache and failure every broken dream

You're the God who sees the God who rescued me

This is my story this is my story

All this time

From the first tear cry to today's sunrise

And every single moment between

You were there You were always there

It was You and I

You've been walking with me all this time

You've been walking with me all this time

I hear these people asking me how do I know what I believe?

Well I'm not the same me and I saw the proof I need

I felt Love I felt Your grace you stole my heart that day

All this time

From the first tear cry to today's sunrise

And every single moment between

You were there You were always there

It was You and I

You've been walking with me all this time

(Ever since the first tear cry it was you, you and I)

You've been walking with me all this time

(Ever since the first tear cry it was you, you and I)

You've been walking with me all this time

(Ever since the first tear cry it was you, you and I)

You've been walking with me all this time
