

Britt Nicole - Come What May

tom:
Cm
Cm
I hear a new sound on the stereo
I feel the beat from my head to my toes
Gm
Reminds me that wherever I go
I'm not alone
Cm
Summer, winter, spring, or fall
Come rain or shine
You're there through it all
Gm
You're my hope when I'm ready to fall
All I know is
Cm
You and me, that's what I'm saying
All my worries start fading
Gm
We're gonna make it
Come what may
Cm
Keep on movin'
Don't let nothing get to you or slow you down
Gm
Life is full of twists and turns
But that's all right
That's all right, yeah
Cm
Keep on movin'
Don't worry 'bout what's next
Around the bend
Gm
Close your eyes
Enjoy the ride
Arms are wide
We're gonna make it
Come what may
Cm
His arms are pushing like I can see the sun
Bet it gets better when I'm having fun
Gm
Whatever I need, you are in love
I'm not alone
Cm
So my arms are open wide
When I'm with you I think I could fly
Gm
You're the reason why I smile
All I know is
Cm
You and me, that's what I'm saying
All my worries start fading
Gm
We're gonna make it
Come what may
Cm
Keep on movin'
Don't let nothing get to you or slow you down
Gm
Life is full of twists and turns
But that's all right
That's all right, yeah
Cm
Keep on movin'
Don't worry 'bout what's next
Around the bend
Gm
Close your eyes
Enjoy the ride

Arms are wide
We're gonna make it
Come what may

Cm
Keep on movin'
Keep on movin'
Keep on movin'
Come what may
Gm
Keep on movin'
We keep on movin'
Keep on movin'
Come what may

Cm
Yesterday is dead and gone
So I just keep movin' on
Gm
Now I know I'm not alone
With you I'm strong
Help me sing this song

Cm
Keep on movin'
Don't let nothing get to you or slow you down
Gm
Life is full of twists and turns
But that's all right
That's all right, yeah
Cm
Keep on movin'
Don't worry 'bout what's next
Around the bend
Gm
Close your eyes
Enjoy the ride
Arms are wide
We're gonna make it
Come what may

Cm
Keep on movin'
Don't let nothing get to you or slow you down
Gm
Life is full of twists and turns
But that's all right
That's all right, yeah
Cm
Keep on movin'
Don't worry 'bout what's next
Around the bend
Gm
Close your eyes
Enjoy the ride
Arms are wide
We're gonna make it
Come what may

Don't let nothing get to you, yea, yea
Gm
Don't let nothing slow you down, no, no

Cm

Just keep on movin'
