

Brockhampton - SUGAR

tom:
D (forma dos acordes no tom de Db)
Capostraste na 1ª casa

[Refrão]
Spendin' all my nights alone, waiting for you to call me
You're the only one I want by my side when I fall asleep
Tell me what I'm waiting for, tell me what I'm waiting for
I know it's hard but we need each other
Know it's hard but we need each other

[Verso 1]
I move mountains on my own, don't need nobody help
Change your mind when I change my life, better start believing
in myself

And we all out lookin' for, lookin' for God so we never see it
in ourself
Should divine intervention move itself?
It's hard to tell what the prayer compel
You can find me dancing in between the raindrops

Tryna find a way to make the pain stop
Overtime, on the graveyard
Got a nigga feeling brainwashed
My instability's trademark
Copy-written in all my decisions
This is not supposed to be a way of living
Tear my temple down into a prison

[Refrão]
Spendin' all my nights alone, waiting for you to call me
You're the only one I want by my side when I fall asleep
Tell me what I'm waiting for, tell me what I'm waiting for
I know it's hard but we need each other
Know it's hard but we need each other

[Verso 2]
Yeah, back on Vincent with the braces on
Used to slide out the back without the neighbors knowin'
Pose for the picture with the pearly whites
Dead lens zoomin' in, catching all my stripes
Used to trade a joint for some molly
And she gave me all I need for the night, 40 suffice
Morally alright but I need some advice
And I know that I'm acting foolish

Em
Could you pick me up around noon-ish?
G
Half a blunt, yeah, we coolin'
C
Twist it up, putting on OutKast
Bm
I'm the taxi, and yeah, we cruisin'

[Pré-Refrão]
But when I love you right, I love you right
I'm by your side
But I'll make it right, baby, I want you to know
I'ma be there for you, I'ma make you see that
I want you,
I want you

[Refrão]
Spendin' all my nights alone, waiting for you to call me
You're the only one I want by my side when I fall asleep
Tell me what I'm waiting for, tell me what I'm waiting for
I know it's hard but we need each other
Know it's hard but we need each other

[Bridge]
Back and forth
I'll take that if that's all you asking for
With my legs up on the dashboard
Only thing in my pocket is my passport, pa-passport
Back and forth
I'll take that if that's all you asking for
With my legs up on the dashboard
Only thing in my pocket is my passport, pa-passport
Back and forth
I'll take that if that's all you asking for
With my legs up on the dashboard
Only thing in my pocket is my passport, pa-passport

[Outro]
So, do you love me, love me, love me?
Do you love me, love me, love me?
Do you love me, love me, love me?
Do you love me, love me? Oh
Do you love me, love me, love me?
Do you love me, love me, love me?
Do you love me, love me, love me?
Do you love me, love me, love me?

C

G

Do you love me, love me? Oh
