Sat by the fire, behind your eyes  
A7M A7M A7 A7  
D7M  
And I'll look through them just once or twice but I might see  
something I don't like  
D7M Dm  
Like your hands in his shirt  
Dm A7M A7 D7M Dm  
Entwined in cotton, his loving smirk  
[Solo]
