

Broods - Four Walls

Tom: C

C You walked in and said, "I've got some news"
 F I didn't say all I wanted to
 C You know I told you that I wasn't scared. Well, I lied."
 C You told me, "Babe I only think of you."
 F And I said, "All I've got is a bunch of sad stories."
 C And I told them all before the night was through
 F And we cried, oh, but we're here now
 C And I'm trying hard to make you love me but I don't wanna
 C try too hard
 G And I'm trying hard to take it lightly but we're here now
 C G F Those four walls now are the only place that I can breathe out
 Dm And those four walls now are home
 C Those four walls now are the only place that I can feel
 C Those four walls now are home
 C I wanna make you feel how I feel when I'm listening to love
 C songs
 C I wanna take you to the peak of everything that you are

You're everything I need tonight
 C G F And I'm trying hard to make you want me
 C G F But I don't wanna try too hard
 C G F I was thinking you got what you came for
 But you're here now
 C G F Those four walls now are the only place that I can breathe out
 Dm And those four walls now are home
 C G F Those four walls now are the only place that I can feel
 C G F Those four walls now are home
 C G F Falling at the hand of a perfect man
 C G F Falling at the hand of a perfect man
 C G F Those four walls now are the only place that I can breathe out
 Dm And those four walls now are home
 C G F And Those three words now
 F Dm Are the only thing that came to save me
 C G F And Those three words now are home
 C G F Falling at the hand of a perfect man.
