

Broods - Heartines (Acoustic)

Tom: C

We could fool the datelines^C
 We could jump the state lines^G
 I don't always play nice^{Am7}
 But I wanna feel your heartlines^F
 I'll pick you up at midnight^C
 We'll run to beat the sun light^G
 We only get the one life^{Am7}
 And I wanna feel your heartlines^F
 I wanna feel your heart
 Have you been let down^C
 By the ones before?^{G Am7}
 Do you leave too soon to know?^F
 Never fell in love ?cause I just cut loose^{C G Am7}
 But not when it comes to you^F
 Dressing in black^C
 You're around for the weekend^G
 Dancing at night
 You're the light that I won't let go^{Am7}
 And I want you close^F
 We could fool the datelines^C
 We could jump the state lines^G
 I don't always play nice^{Am7}
 But I wanna feel your heartlines^F
 I'll pick you up at midnight^C
 We'll run to beat the sun light^G
 We only get the one life^{Am7}
 And I wanna feel your heartlines^F
 I wanna feel your heart
 Now we're far apart, in and out of touch^{C G Am7}
 And the words don't mean as much^F
 So I sit across from someone new^{C G Am7}

But they don't compare to you

Lying in bed wide awake I remember^C
 Dancing at night you're the light that I won't let go^{G Am7}
 And I want you close^F
 We could fool the datelines^C
 We could jump the state lines^G
 I don't always play nice^{Am7}
 But I wanna feel your heartiness^F
 I'll pick you up at midnight^C
 We'll run to beat the sun light^G
 We only get the one life^{Am7}
 And I wanna feel your heartlines^F
 I wanna feel your heart
 Lying in bed wide awake I remember^C
 Dancing at night you're the light that I won't let go^{G Am7}
 'Cause I want you close^F
 We could fool the datelines^C
 We could jump the state lines^G
 I don't always play nice^{Am7}
 But I wanna feel your heartiness^F
 I'll pick you up at midnight^C
 We'll run to beat the sun light^G
 We only get the one life^{Am7}
 And I wanna feel your heartlines^F
 We could fool the datelines^C
 We could jump the state lines^G
 I don't always play nice^{Am7}
 But I wanna feel your heartiness^F
 I'll pick you up at midnight^C
 We'll run to beat the sun light^G
 We only get the one life^{Am7}
 And I wanna feel your heartlines^F
 I wanna feel your heartlines^C
