

## Broods - Heartines (Acoustic)

Tom: C

We could fool the datelines<sup>C</sup>  
 We could jump the state lines<sup>G</sup>  
 I don't always play nice<sup>Am</sup>  
 But I wanna feel your heartlines<sup>F</sup>  
 I'll pick you up at midnight<sup>C</sup>  
 We'll run to beat the sun light<sup>G</sup>  
 We only get the one life<sup>Am</sup>  
 And I wanna feel your heartlines<sup>F</sup>  
 I wanna feel your heart  
 Have you been let down<sup>C</sup>  
 By the ones before?<sup>G Am</sup>  
 Do you leave too soon to know?<sup>F</sup>  
 Never fell in love ?cause I just cut loose<sup>C G Am</sup>  
 But not when it comes to you<sup>F</sup>  
 Dressing in black<sup>C</sup>  
 You're around for the weekend<sup>G</sup>  
 Dancing at night  
 You're the light that I won't let go<sup>Am</sup>  
 And I want you close<sup>F</sup>  
 We could fool the datelines<sup>C</sup>  
 We could jump the state lines<sup>G</sup>  
 I don't always play nice<sup>Am</sup>  
 But I wanna feel your heartlines<sup>F</sup>  
 I'll pick you up at midnight<sup>C</sup>  
 We'll run to beat the sun light<sup>G</sup>  
 We only get the one life<sup>Am</sup>  
 And I wanna feel your heartlines<sup>F</sup>  
 I wanna feel your heart  
 Now we're far apart, in and out of touch<sup>C G Am</sup>  
 And the words don't mean as much<sup>F</sup>  
 So I sit across from someone new<sup>C G Am</sup>

But they don't compare to you

Lying in bed wide awake I remember<sup>C</sup>  
 Dancing at night you're the light that I won't let go<sup>G Am</sup>  
 And I want you close<sup>F</sup>  
 We could fool the datelines<sup>C</sup>  
 We could jump the state lines<sup>G</sup>  
 I don't always play nice<sup>Am</sup>  
 But I wanna feel your heartiness<sup>F</sup>  
 I'll pick you up at midnight<sup>C</sup>  
 We'll run to beat the sun light<sup>G</sup>  
 We only get the one life<sup>Am</sup>  
 And I wanna feel your heartlines<sup>F</sup>  
 I wanna feel your heart  
 Lying in bed wide awake I remember<sup>C</sup>  
 Dancing at night you're the light that I won't let go<sup>G Am</sup>  
 'Cause I want you close<sup>F</sup>  
 We could fool the datelines<sup>C</sup>  
 We could jump the state lines<sup>G</sup>  
 I don't always play nice<sup>Am</sup>  
 But I wanna feel your heartiness<sup>F</sup>  
 I'll pick you up at midnight<sup>C</sup>  
 We'll run to beat the sun light<sup>G</sup>  
 We only get the one life<sup>Am</sup>  
 And I wanna feel your heartlines<sup>F</sup>  
 We could fool the datelines<sup>C</sup>  
 We could jump the state lines<sup>G</sup>  
 I don't always play nice<sup>Am</sup>  
 But I wanna feel your heartiness<sup>F</sup>  
 I'll pick you up at midnight<sup>C</sup>  
 We'll run to beat the sun light<sup>G</sup>  
 We only get the one life<sup>Am</sup>  
 And I wanna feel your heartlines<sup>F</sup>  
 I wanna feel your heartlines<sup>C</sup>
