

# Brooke Fraser - Je Suis Pret

Tom: **G**  
Intro: **Am**

I looked away while the water was receding  
I looked away for a second, for a second  
And it's gone, everyone was caught sleeping

I am awake and the air is pulsating  
I am awake, as it gathers, see it growing  
I'm in doubt, here it comes, am I ready?  
**Am** I ready?

**Am** **Am**  
See the tempest looking my way

**D** **F**  
Drain the skies of all their color

**Am** **Am**  
And I need eye to eye

**D** **F**  
With a fire in my breast

**Am** **Am**  
Je suis pret

**D** **F**  
I am ready, I am ready

**Am** **Am**  
Je suis pret

**D** **F**  
I am ready, I am ready

I will be healed, and my brother, so shall you be  
Stand over here, by my side  
We will awake to the river, to the river  
Washing away all our shy

**Am** **Am**  
See the tempest looking my way  
**D** **F**  
Drain the skies of all their color

**Am** **Am**  
And I need eye to eye  
**D** **F**  
With a fire in my breast  
**Am** **Am**

Je suis pret  
**D** **F**  
I am ready, I am ready

Je suis pret  
**D** **F**  
I am ready, I am ready
