

# Brooke Fraser - The Future (Tell Me Love Remains)

tom:

Intro: **B**

**B**  
I've seen the future, but I can't go there

**E**  
It flows with milk and honey and our children's swear

**Abm**  
They'll never have to work, they'll never have to care

**Abm**  
I've seen the future, but I won't be there

**B**  
I learned about the future, when I was young

**E**  
I learned about the world and how It's come undone

**Abm**  
I learned about fear of strangers and guns

**Abm**  
I learned about the future and It's no fun

**E**  
Tell me love remains

**E**  
Tell me love remains

**E**  
Tell me love, tell me love remains

**B**  
I heard about the future from my neighbor John

**E**  
He told me from the safety of this perfect lawn

**Abm**  
If they move in, it won't be long

I heard about the future and it sounds all wrong

**B**  
I think about the future when I see your face

**E**  
I think about youth and how we're parting ways

**Abm**  
I think about God, I think about faith

**Abm**  
I think about the future and I hope there's grace

**E**  
Tell me love remains

**E**  
Tell me love remains

**E**  
Tell me love, tell me love remains

**E**  
Tell me love remains

**E**  
Tell me love remains

**E**  
Tell me love, tell me love remains

**B**  
I prayed about the future and I understood

**E**  
All this talk about time will never do much good

**Abm**  
If I want things different, I gotta quit this doubt

**B**  
I gotta keep on praying and live love out

**Abm**  
I gotta keep on praying and live love out
