

Brooke Surgener - Burn Out

tom: D

I?m getting worked up again D G

Filling every second I have with plans D G

And I do this to myself Bm

I do this to myself G

Feels like I?m all on my own D G

And every friend that holds out their hand D

I tend to bite and cut the rope Bm

I guess I do this to myself G

I do this to myself G D

Oh am I gonna burn out Em Bm

Always tryna to burn bright G D Em Bm

I?ve been rubbing sticks for sparks til the sun goes down G A

But I still don?t see the light G D

Am I gonna lose my mind Gbm Bm

I?ve got an engine that just won?t quit G D

So you?re either gonna see my flame Em D

Or the smoke at the end of my wick G D

I?m getting worked up again G D

Can?t even smoke it off if I wanted G

That stuff gets into my head Bm

Expecting ribbons for my hurt D

Watch it measure my self worth G D

Oh am I gonna burn out Em Bm

Always tryna to burn bright G D Em Bm

I?ve been rubbing sticks for sparks til the sun goes down G A

But I still don?t see the light G D

Am I gonna lose my mind Gbm Bm

I?ve got an engine that just won?t quit G D

So you?re either gonna see my flame Em D

Or the smoke at the end of my wick Em D

[Solo] Em Bm A Bm

And I?m so tired Em Bm

And baby I?m tired all the time A Bm

I lit my fire G D

With the same shit that makes me cry A Bm

Am I just distracting my thoughts G

From the things that I lost D

Wonder if it could ever be enough to just get by Gbm Bm A G

Oh am I gonna burn out G D

Always tryna to burn bright Em Bm

I?ve been rubbing sticks for sparks til the sun goes down G A
