So he went out again street light made the scene
When it took it stall along the way
He was blue he was red... He was happy he was sad
Wasn't that what made it hard to stay

Em
I believe my ritual, I don't breath my air
Am **C**
But I'm not allowed to shout, I am not allowed to share

Em
I'm the substance, I'm alive that's the reason why I'm right
Am **Em**
So it didn't stop to walk that night

C **Bm** **Am** **Em**
It will slowly run

Em
In the park, on the bench, with the stars hand in hand
Am **Em**
