

Bruce Springsteen - Across The Borderline

tom:

D

D A D

There's a place, so I've been told

G A D

Every street is paved with gold

Bm G A

And it's just across the borderline

D A D

And when it's time to take your turn

G A D

There's a lesson that you must learn

D A D

You may lose more than you'll ever hope to find

G A D

And when you reach that broken promised land

G A D

And all your dreams slip though your hand

Bm G A

You have learned it's too late to change your mind

G A D

Cause you pay the price to come so far

G A D

Just to wind up where you are

D A D

And you're still just across the borderline

D A D

Up and down The Rio Grande

G A D

A thousand foot prints in the sand

Bm A

Reveal a secret no one can define

D A D

The river rolls on like a breath

G A D

In between our life and death

D A D

Tell me who is next to cross that borderline

G A D

And when you reach that broken promised land

G A D

And all your dreams slip though your hand

Bm G A

You'll know it's too late to change your mind

G A D

Cause you pay the price to come so far

G A D

Just to wind up where you are

D A D

And you're still just across the borderline
