

# Bruce Springsteen - Ain't Good Enough For You

Intro: <sup>A</sup> <sup>Dbm</sup> <sup>D</sup> <sup>E</sup>

Well you don't like, don't like the way I walk  
 And you don't like, don't like the way I talk  
 You criticize about me endlessly  
 Logic defies how you get stuck with me  
 And you complain about the clothes I wear  
 And you explain there's other boys out there  
 You complain my car makes too much noise  
 And you cry I'm always out with the boys

<sup>Gbm</sup>  
 Whoa whoa (whoa whoa whoa whoa)  
 I give up little darling (whoa whoa little darling)  
 Yeah no matter what I do, girl you know it's true  
 Ain't good enough for you

<sup>A</sup>  
 You complain the way I love you at night  
<sup>Dbm</sup>  
 You explain I'm really not your type  
<sup>D</sup>  
 If we go out, you say I'm such a bore  
<sup>E</sup>  
 If we stay in, you say what are we living for  
<sup>A</sup>  
 I don't understand, there's nothing I can do  
<sup>Dbm</sup>  
 There ain't no way I can satisfy you  
<sup>D</sup>  
 End of the night I lean in for a kiss  
<sup>E</sup>  
 Here comes the pitch, a swing and a miss

<sup>Gbm</sup>

Whoa whoa (whoa whoa whoa whoa)  
 I give up little <sup>A</sup>darling (whoa whoa little darling)  
 Yeah no matter <sup>D</sup>what I do, girl you <sup>E</sup>know it's true  
 Ain't <sup>Gbm</sup>good enough for you, hey! hey!  
<sup>Gbm</sup>  
 Whoa whoa (whoa whoa whoa whoa)

<sup>A</sup>  
 I tried to change, I got a job in sales  
<sup>Dbm</sup>  
 I bought a shirt uptown in Bloomindales  
<sup>D</sup>  
 And babe I tried to make the latest scene  
<sup>E</sup>  
 Hitting cool just like Jimmy Iovine  
<sup>A</sup>  
 I bought a record with all the latest grooves  
<sup>Dbm</sup>  
 A book of love with all the latest moves  
<sup>D</sup>  
 I bought some flowers and I waited at your door  
<sup>E</sup>  
 And you came out, didn't want to see me no more

<sup>Gbm</sup>  
 Whoa whoa (whoa whoa whoa whoa)  
 I give up little <sup>A</sup>darling (whoa whoa little darling)

 Ain't <sup>Gbm</sup>good enough for you  
<sup>Gbm</sup>  
 Whoa whoa (whoa whoa whoa whoa)
