I was born saved in heaven Em C G

It was nothing like the promised land Em C G

Raised in a good Christian house D C

Underneath a good Christian hand Em C G

Now I ain't into fast livin' Em C G

And I ain't looking to be forgiven D C

For any of the stupid things that I've done Em C G

For the ones who once had a notion Em C G

A notion it was good to be alive Em C G

Feel the spark, the rush of emotion D C

I want to break out baby tonight

I want to dream, that I got a place Em C G

Make it seem, get out of this muddy race D C
