

Bruce Springsteen - Back In Your Arms

tom:

Intro: C G F C
F Am C

C G Am F F
In my dream our love was lost, I lived by luck and fate
C G Am F F
I carried you inside of me, prayed it wouldn't be too late
F G F G
Now I'm standin' on this empty road where nothin' moves but the wind

F G C G
And honey I just wanna be back in your arms
Am F F C G
Back in your arms again, back in your arms
Am F F C G
Back in your arms again, back in your arms
Am F F
Back in your arms again

C G Am F F
Once I was your treasure and I saw your face in every star
C G Am F F
But these promises we make at night, oh that's all they are
F G F F
Unless we fill them with faith and love they're empty as the howlin' wind

F G
And honey I just wanna be
C G
Back in your arms
Am F F C G

Back in your arms again, back in your arms
Am F F C G
Back in your arms again, back in your arms
Am F F
Back in your arms again

F G
You came to me with love and kindness
Am F F F
But all my life I've been a prisoner of my own blindness
G Am G
I met you with indifference and I don't know why

C G Am F F
Now I wake from my dream, I wake from my dream to this world
C G Am F F
Where all is shadow and darkness and above me a dark sky unfurls
F G F F
And all the love I've thrown away and lost I'm longin' for again
F G
Now darlin' I just wanna be back in your arms

C G
Back in your arms
Am F F C G
Back in your arms again, back in your arms
Am F F C G
Back in your arms again, back in your arms
Am F F
Back in your arms again

[Final] C G Am
