He lay his ^C blanket underneath the ^G freeway ^C ^G
As the evening sky grew dark
Took a sniff of toncho from his coke can
And headed through Balboa Park
Where the men in Mercedes
Come nightly to employ
In the cool San Diego evening
The services of the border boys
He grew up near the zona norte
With the hustlers and smugglers he hung out with
He swallowed their balloons of cocaine
Brought 'em cross the 12th street strip
Sleeping in a shelter
If the night got too cold
Runnin' from the migra
Of the border patrol
Past the Salvage yard 'cross the train tracks

And in through the storm drain
They stretched their blankets out neath the freeway
And each one took a name
There was x-man and cochese
Little spider his sneakers covered in river mud
They come north to California
End up with the poison in their blood
He did what he had to do for money
Sometimes he sent home what he could spare
The rest went to hi-top sneakers and toncho
And jeans like the gavatchos wear
One night the border patrol swept 12th street
A big car come fast down the boulevard
Spider stood caught in it's headlights
Got hit and went down hard
As the car sped away spider held his stomach
Limped to his blanket 'neath the underpass
Lie there tasting his own blood on his tongue
Closed his eyes and listened to the cars
Rushin by so fast
