

Bruce Springsteen - Be True

tom:

A

A

Gbm

Bm
Your scrapbook's filled with pictures of all your leading men
D E A
Well baby don't put my picture in there with them
D Gbm

Bm
Don't make us some little girl's dream that can't ever come
true

D G E
It only serves to hurt and make you cry like you do
E D E A Gbm Bm A
Well baby don't do it to me and I won't do it to you

A Gbm
You see all the romantic movies, you dream and take the boys home

But when the action fades you're left all alone

Bm
You deserve better than this, little girl, can't you see that
you do

D Do you need **G** somebody to prove it to you? **E**

E D E A Gbm Bm A
Well you prove it to me and I'll prove it to you
A Gbm A
Now every night you go out looking for true love's
satisfaction

But in the morning you end up settling for just lights,lights,
lights, lights

Camera, action

A Gbm Bm
And another cameo role with some bit player you're befriending

D E A
You're gonna go broken-hearted looking for that happy ending

Well girl you're gonna end up just another lonely ticket sold

Cryin' alone in the theater as the credits roll

You say I'll be like those other guys

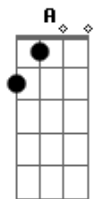

Who filled your head with pretty lies

And dreams that can never come true

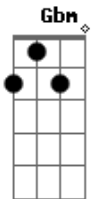

Well baby you be true to me

And I'll be truuuue to you
