

# Bruce Springsteen - Chasin' Wild Horses

tom:

Intro: **D** **D** **D**  
**D** **D** **D**  
**D** **D** **D**

Guess it was somethin' I shouldn't have done  
**Em7** **D** **G**  
Guess I regret it now  
**Em7** **D** **G**  
Ever since I was a kid  
**Em7** **D** **G**  
Tryin' to keep my temper down is like  
**A** **A** **A** **G**  
Chasin' wild horses, chasin' wild horses  
**A** **A** **A**  
Chasin' wild horses

Left my home, left my friends  
**D** **D** **G**  
I didn't say goodbye  
**D** **D** **G**  
I contract out to the BLM  
**D** **D** **G**  
Up on the Montana line  
**A** **A**  
Chasin' wild horses,  
**G**  
Chasin' wild horses

We're out before summer  
**Em7** **D** **G**  
In after sundown  
**Em7** **D** **G**  
There's two men in the chopper  
**Em7** **D** **G**  
Two under saddle on the ground  
**Em7** **D** **G**

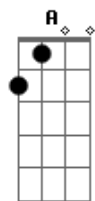

In the evenings we'd hop in the pickup  
**Em7** **D** **G**  
Head into town for a drink  
**Em7** **D** **G**  
Make sure I work 'til I'm so damn tired  
**Em7** **D** **G**  
Way too tired to think

**D** **D** **G**  
You lose track of time  
**D** **D** **G**  
It's all just storms blowin' through  
**D** **D** **G**  
You come rollin' 'cross my mind  
**D** **D** **G**  
Your hair flashin' in the blue  
**A** **A** **A** **G**  
Like wild horses, just like wild horses  
**A**  
Just like wild horses

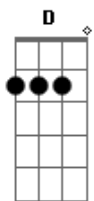

**Em7** **D** **G**  
Fingernail moon in a twilight sky  
**Em7** **D** **G**  
Ridin' high grass of the switchback  
**Em7** **D** **G**  
I shout your name into the canyon  
**Em7** **D** **G**  
The echo throws it back

**D** **D** **G**  
The winter snow whites out the plains  
**D** **D** **G**  
'Til it can turn me blind  
**D** **D** **G**  
The only thing up here I've found  
**D** **D** **G**  
Is tryin' to get you off my mind  
**A** **A** **A** **G**  
Chasin' wild horses, chasin' wild horses  
**A** **A** **A** **G**  
Chasin' wild horses, chasin' wild horses
