

Bruce Springsteen - Cynthia

tom:

Intro: **D** **C** **G**
D **C** **G**

D **C** **G** **D** **C**
Cynthia, when you come walking by you're an inspiring sight
D **C** **G** **D** **C**
Cynthia, you won't smile or say hi but baby that's alright
C **D** **C** **D** **C**
'Cause I don't need to hold you or taste your kiss
G **D** **C** **G**
I just like knowing, Cynthia, you exist
D **C** **G**
In a world like this

D **C** **G** **D** **C** **G**
Cynthia, when you pass it seems like this whole town drops
D **C** **G** **D** **C**
Cynthia, or maybe it's just baby and these fools stuck here
punchin' this clock
C **D** **C** **D** **C**
Well you give us a reason to stop just for a while
G **D** **C** **G**
Stop, stand and salute your style
D **C** **G**
Yeah Cynthia

C **D** **C** **D** **C**
Well now you ain't the finest thing I'll never have
G **D** **C** **G**
And when you go the hurt you leave, baby, it ain't so bad
D **C** **G**
No it ain't Cynthia
D **C** **G**
G

There ain't a man in this whole town who'd say you ain't fine
C **D**
You hear the guys talkin', tell me baby do you mind
G **C** **D** **C** **G**
Well you make us happy, honey, when we feel sad
C **D**
To see something so good in a world gone bad
D **C** **G**
There's still Cynthia oh yeah
D **C** **G** **D** **C**
G **D** **C** **G**
Cynthia, no one knows your number, no one knows where you live
D **C** **G** **D** **C**
C **G** **D** **C**
Cynthia, I wonder do you understand this strange thing you
give
C **D** **C** **D** **C**
Well baby is it your style, the mystery in your smile
G **D** **C** **G** **D** **C**
Or just how cool you walk in a world gone wild
D **C** **G**
Tell me if you will, Cynthia

C **D** **C** **D** **C**
Well I gotta be pretty naive to believe in you
G **D** **C** **G**
I know you ain't ever gonna be my dream come true
D **C** **G** **D** **C**
That's alright, I got other dreams as good as you, Cynthia
D **C** **G**
Yeah now baby, now this ain't no come-on
D **C** **G** **D** **C** **G**
Just walk on, Cynthia, walk on that's right
D **C** **G**
You make me holler, yeah, yeah, alright
D **C** **G**
C I said yeah, yeah, yeah, alright
