

# Brunno Monteiro - Se Entender

Tom: C

Se entender (Brunno Monteiro/ Marcello H.)

Intro: C G Em D D7

Acorda meu amor

Acorda e se ergue

Que a corda que segura a lua

Acaba de romper

A lua está pesada amor

E pode despencar

É melhor se levantar

E flutuar daqui

Acorda e se ergue amor

Se abriga nas memórias

O chão que treme e racha pode

te arrancar de mim

O céu do dia é cinza amor

E pode escurecer

É melhor abrir os olhos

E SE ENTENDER!

A lua está pesada amor

E pode despencar

É melhor se levantar

E flutuar daqui

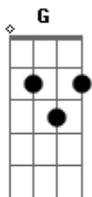

Acorda e se ergue amor

Se abriga nas memórias

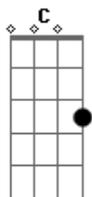

O chão que treme e racha pode

te arrancar de mim
