

Bruno Ferr - Sunset On The Roof

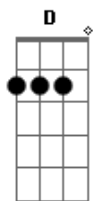

Tom: **Ab**

(forma dos acordes no tom de **G**)
Capostrate na 1ª casa

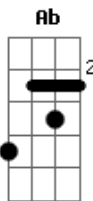

I remember the time when I
Used to lay on my grandma's roof
The sun went down and my life never looked so plain
Then I didn't have much at stake
There so many questions on my mind
but, I can't find all the answers
Sunset, the time goes by, the sun goes down
Sunset, we cannot lie it's like a vow
Sunset, it doesn't shine where I am now

Sunset on the roof
People, what are they looking for?
Happiness, what is the real happiness?
Love, what is the meaning of love?
Time, how much time we got?
There so many questions on my mind
but, I can't find all the answers
Sunset, the time goes by, the sun goes down
Sunset, we cannot lie it's like a vow
Sunset, it doesn't shine where I am now
Sunset on the roof
