

Bruno Mars - All About You

Tom: E

(acordes na forma do tom C)

Capostrate na 4ª casa

Em I know girl when you look at me you don't know how I feel
'cause I'm usually so nonchalant my feelings I conceal
But I want you to know oh I want you to know

Em I must admit I've felt this way for more than quite a while
But I can't hold it no longer when I see your pretty smile
Can't wait no more oh I can't wait no more

refrão:

Em Girl to tell you the truth it's always been you
I'm all about you oh girl no one can do me the way you do
It's always been you I'm all about you

Em Maybe I'm a fool for speaking up... but I don't mind
'cause a girl like you will come around like once in a million

times

So what do I do tell me what do I do

Em And the look that you are giving me gives me hope to believe
I said for you baby I'll change my ways I'll wear my heart on my sleeve
Got nothing to lose I got nothing to lose

refrão:

Em Girl when you smile there's not a place I'd rather be
Just stay for a while and you'll see that you should be
Right here with me 'cause I love everything you do
That's why I had to take this time
Baby, to tell ya and now you know
And now you know!

refrão:

Em oh oh oh oh oh oh oh oh I'm all about you
